## DHANALAKSHMI TRADING CO.

Dhanalakshmi Trading Co., established in 2018 and headquartered in Kolar, Karnataka, stands as a dependable name in the field of food and FMCG product supply. With a strong focus on quality and integrity, we cater to a wide range of clients including wholesalers, industrial buyers, and exporters. Our product portfolio includes premium mango pulp, rich tomato paste, refined sugar, and salt. All sourced with strict quality control measures to ensure consistency and freshness. Over the years, we have built a reputation for not just supplying goods, but delivering value through efficient logistics, fair pricing, and customer-first service.

We are also proud distributors of trusted household brands like Cargill Oil, Nirma Detergent, and Nirma Salt, ensuring their consistent availability across wholesale and retail markets.

# PREMIUM MANGO PULP

*We offer 3 premium varieties of mango pulp, ideal for juice manufacturing, desserts, beverages, bakeries, sauces, and ice creams. All variants are processed under strict quality norms to ensure natural flavor, color, and texture are preserved.*

*Whether you need the rich sweetness of Alphonso, the tangy freshness of Totapuri, or the concentrated punch of Totapuri Mango Concentrate — we deliver consistent quality with every batch. Trusted by beverage brands, bakeries, and food manufacturers globally.*

## 1. Alphonso Mango Pulp (AMP)

*Alphonso Mango Pulp is known for its rich golden color, strong aroma, and naturally sweet taste. Extracted from handpicked Alphonso mangoes, this pulp is ideal for high-end applications where flavor and quality matter most. It is widely used in premium fruit-based products and international markets.*

### **Specifications:**

- Brix at 20°C: 16 - 22 °Bx
- Acidity (%): 0.5 - 0.8
- pH: 3.4 - 3.8
- Crop Season: May – July

### **Used by / Ideal for:**

- Juice & Beverage Companies
- Ice Cream & Dairy Industry
- Bakeries & Confectioneries
- Exporters of tropical fruit mixes
- We supply in bulk to food processors, distributors, and international importers

## **2. Totapuri Mango Pulp (TMP)**

*Totapuri Mango Pulp offers a tangy, refreshing flavor that blends well with other fruits and ingredients. It has a smooth texture and is perfect for mixed fruit beverages, sauces, and processed foods. Known for its versatility and high demand, it is a popular choice across industries.*

### **Specifications:**

- Brix at 20°C: 14 - 16 °Bx
- Acidity (%): 0.4 - 0.6
- pH: 3.6 - 4.0
- Crop Season: May – August

### **Used by / Ideal for:**

- Beverage & Soft Drink Manufacturers
- Sauce & Jam Processors
- Ice Cream & Dairy Industry
- Food Processing Companies
- Supplied to bulk buyers, OEM food brands, and international B2B clients

### **3. Totapuri Mango Concentrate (TMC)**

*Totapuri Mango Concentrate is a thick, high-Brix product created for industrial applications where intensity and shelf life are key. It allows for reconstitution into juices, smoothies, and flavor bases. This concentrate is cost-effective and ideal for mass production needs.*

#### **Specifications:**

- Brix at 20°C: 27 - 30 °Bx
- Acidity (%): 0.4 - 0.6
- pH: 3.2 - 3.6
- Crop Season: May – August

#### **Used by / Ideal for:**

- Juice & Nectar Manufacturers
- Food Ingredient Suppliers
- Reconstituted Beverage Makers
- Export Markets & Global Distributors
- We supply bulk-packed concentrate to large-scale food manufacturers and exporters

# Tomato Paste

*Our Tomato Paste is thick, rich, and made from sun-ripened tomatoes, processed under hygienic conditions to preserve its deep red color, natural flavor, and high consistency. It's a cost-effective and flavorful base for many commercial and culinary applications.*

## **Production & Packaging Options:**

- Produced in ISO-certified facilities
- Available in aseptic bags, tins, and barrels
- Suitable for bulk and private label supply
- Tamper-proof, export-ready packaging
- Quick loading & delivery for large-scale orders

## **Used by / Ideal for:**

- Sauce & Ketchup Manufacturers
- Hotel & Restaurant Kitchens
- Processed & Ready-to-Eat Food Producers
- Canned Food Brands
- Exporters & Bulk Ingredient Suppliers

## Refined Sugar (Export Grade)

*We supply a wide range of high-quality refined sugar suitable for both industrial processing and food manufacturing. Our sugar is made from premium sugarcane and meets international purity and hygiene standards. It is widely used in beverages, sweets, bakery, and processed foods.*

### **Types Available:**

- **S-1** – Coarse grade, mainly used in food processing units
- **S-2** – Medium crystal sugar for general consumption and beverages
- **S-30** – Common household and industrial use sugar with fine grains
- **M-30** – Medium-sized crystal sugar, ideal for packaged food industries
- **Icing Sugar** – Finely powdered sugar, perfect for bakery, desserts, and confectionery

### **Used by / Ideal for:**

- Beverage & Soft Drink Companies
- Confectionery & Sweets Manufacturers
- Bakeries & Ice Cream Brands
- Food Packaging Units
- We supply in bulk to exporters, distributors, and large-scale food manufacturers

## Vacuum Evaporated Salt

*We offer high-purity Vacuum Evaporated Salt that is free-flowing, white, and food-grade. Produced through a controlled evaporation process, it meets the stringent hygiene and quality standards required by the food industry. Its consistent grain size makes it ideal for precise applications.*

### **Types Available:**

- Iodized Vacuum Salt
- Non-Iodized Vacuum Salt
- Fine, Medium & Coarse Grain Options
- Available in bulk or consumer packaging

### **Used by / Ideal for:**

- Dairy Product Manufacturers
- Snacks & Namkeen Industries
- Pickle & Canning Units
- Spice & Seasoning Blenders
- FMCG & Food Packaging Companies
- Bulk supply to processors, retailers, and exporters
